BLAISE KOLODYCHUK PRESENTS:

THE NANDI BEAR TENANTS

Soon, our group of heroes gather inside the Nandi Bear Mercantile...

RING RING RING

So we need to figure out how to get to the Peanut Butter Dimension. And clearly Captain Trash is not the answer.

Sorry.

CALL ACTIVE

Don't feel bad Captain Trash, it's not your fault. Actually if you are looking to go to another dimension, I think I may be able to help.

You didn't mention anything about being able to travel through the barriers of space and time.

Well that's because I can't. But I remember hearing a story about a dimensional door on the moon. It is apparently under the control of the Moon Twins.

CALL ACTIVE

The Moon Twins? I know of them. They live on the dark side of the moon. Very strange couple. They are shrouded in mystery. I have never heard about a dimensional portal before though.

Hey, I don't know if it's true. It's a story I was told as a child growing up in the circus.

It's the only information we have about any sort of dimensional portal near Earth.

Veltrax is right, we should check it out.

Meanwhile over at the counter...

I am going to do some hot yoga tonight you know. You should come. It will free your mind. We can relax together.

I'm not sure what would happen to my body if I did that. It might be fatal.

Can't find out unless you try.

Seriously? Okay Thank you. Do your best.

What is it?

The guy who ships the ice cream is stuck in Minehead. I guess the truck broke down and the guy at the garage told him he won't be going anywhere until at least tomorrow.

You have no idea how disappointed I am right now.

Free Ice cream for you tomorrow Henry, if you come back.

Deal.

LL ACTIVE

Okay, everyone meet me and Pattee on the moon, Klor and Oliver will stay behind to watch the shop.

Yeah well... the shop is more exciting than going to the moon anyway!

Sorry Oliver. But someone has to stay here.

Well I don't mind. Adventure is a bit too adventurous sometimes.

Yoga Party! Oliver you are invited also!

Yey! Sweaty fur body. I'm thrilled.

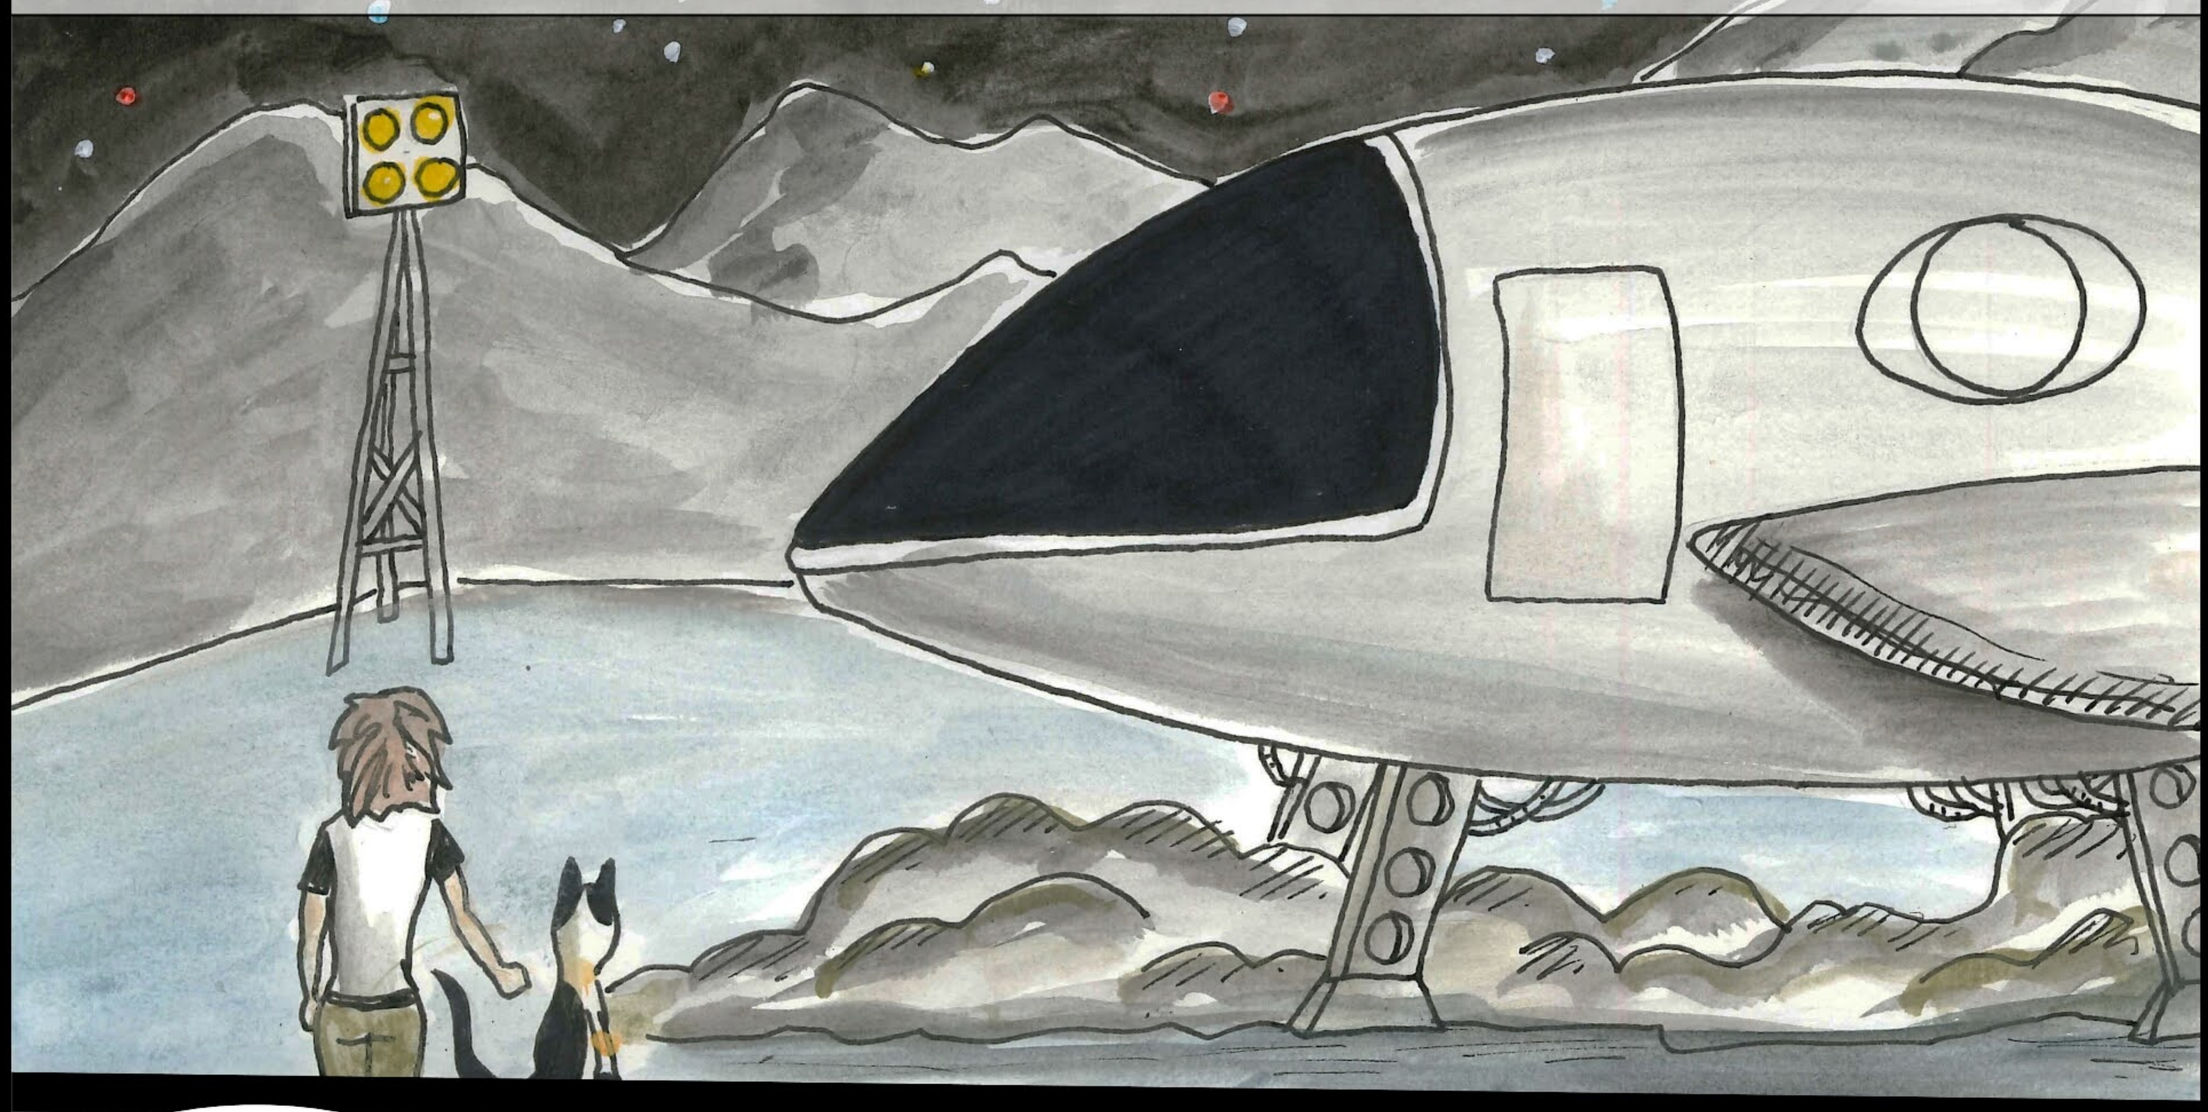
Later, Dorriss lands the Shuttle Craft on the dark side of the moon's spaceport. They are greeted by Naiad and Pattee.



Okay, now everyone quiet while I concentrate, I haven't ever actually teleported this many people at once before.

Good luck!

Pattee closes her eyes and they all soon disappear.

They soon reappear again in a mysterious domain controlled by the mythical Moon Twins... Dorriss has the courage to speak first.

Hello, you must be the moon twins, we're...

We know who you are. Prepare to be taken!

Taken? Taken where?

Silence!

Suddenly the Eyeball machines start bombarding the group with hypnotic beams!

The group of friends soon vanish!

Are we certain they were a threat?

Nothing in the universe is certain, but we shall discover the truth soon enough.

Suddenly, everyone inexplicably finds themselves in a moving subway car...

153

Why are we on the subway?

I sense we were transported here by the Moon Twins.

Is it real? Are we still on the moon?

I have no idea.

"Next Stop the Garden. End of Line, all passengers must disembark."

I guess this is our stop.

They exit the train and it speeds away...

GARDEN STATION

WISHING POND

This is strange. Lets go check out that pond.

Does anyone have a coin?

I don't carry money.

Just give Pattee a quarter you fuzzy liar.

Hmph.

Meanwhile the Moon Twins are watching as all this unfolds.

The eyeball scanners will soon discover the truth once the wish is made.

Then we will know exactly what to do with these uninvited guests.

I wish we could get to the peanut butter dimension.

CANADA 25 cents

PLOP!

The wish is made and the eyeball machines scan their minds.

It would appear their intentions are honourable.

We shall grant your wish.

And the wish is granted.

They soon find themselves somewhere completely different.
And completely void of all living things...

Where are we?

This is the peanut butter dimension. See in the sky? That's the Emerald Asteroid that orbits this place.

Something is wrong here, I don't sense any people.

Something is terribly wrong, this place should be a busy city. I fear something terrible has happened to the Peanut Butter Dimension.

It's not completely void of life, I think I can sense that bear you were looking for.

Excellent, lead the way Captain Trash.
